

DEMOCRATS GAIN POINT IN DELAWARE LEGISLATIVE MIXUP

Four Members Declared Eligible to Sit in Assembly. House to Decide Status of Two Others.

DOVER, Del., Sept. 30.—Attorney General Josiah O. Wolcott and Code Commissioner Herbert H. Ward and T. Hayward Heisel, to whom was referred the question of eligibility of six members to sit in the special session, today submitted a report to the General Assembly. They declared that no technicalities surrounded the right to sit of Senator Harris and Representatives McDonald and Stockel, and Speaker Holcomb.

In the cases of Representatives Cooper and Swan, who are charged with being dual officeholders, they reported that there was doubt, but that the House, under the Constitution, was the judge of the eligibility of its members.

After an hour's skirmishing between the Democrats and Republicans, the eligibility of Representatives Cooper and Swan was referred to a committee of five. The Democrats control the committee.

Representative Cooper, of Wilmington, resigned on Monday as inspector of drugs and chemicals in the Philadelphia Custom House.

Representative Swan is postmaster at Delaware City. Although he had informed legislators of both parties as late as last night that he did not intend to resign, Speaker Holcomb announced that he had seen Mr. Swan's resignation. Mr. Swan did not attend the session today.

Representatives Cooper and Swan are Democrats. The committee of five to whom their eligibility was submitted, threw the matter to a vote in the House, the Democrats could seat the two by a majority of five.

EX-Attorney General Ward, who read the opinion, representing the Attorney General said that the fact that the Federal office holding members have resigned would not qualify them to sit in the special session.

He emphasized, however, that the House alone was the judge of its right to members. "It is not a technical question," he said, "in deciding the drafting of the opinion. Mr. Ward told the legislators that a conference with the State Judges had been held and that the reports embodied the unanimous views of all members of the bench."

Contests had been launched against Speaker Holcomb and Representatives Stockel and McDonald, and Senator Harris by Republicans, because of minor technicalities surrounding their rights to serve. Speaker Holcomb, secretary to Senator Sauerbrey, and Mr. Sauerbrey, the other representatives had moved from their election districts.

The Attorney General and Code Commissioners ruled that Speaker Holcomb's case was a Federal position, but that he was merely holding an outside office. The committee which will decide the cases of the other representatives, Messrs. Cooper, Swan, Hammond, Grantland and Poole. The first three are Democrats and the latter Republicans.

BROKER'S WILL FILED Wife Named, But She Was Killed at Same Time.

WILMINGTON, Del., Sept. 30.—The will of Orville G. Gooden, the real estate broker who, with his wife, was killed when a train struck their automobile on September 22, has been filed for probate.

The will names Eugene R. Gooden, a brother of Mrs. Gooden, as the executor, and leaves an estate valued at close to \$50,000 to his wife during her lifetime and after her death to her husband. The estate will go to Gooden's relatives. Because she lived for that length of time, Gooden's life insurance, which amounted to \$20,000, will go to Mrs. Gooden's relatives.

POLICEMAN LOSES PAY No Money for Member of Wilmington Force.

CARRIAGE BUILDERS DECLARE FOR MERCHANT MARINE

Cheer Demand for Congressional Action—Trade Misrepresentation Condemned. ATLANTIC CITY, Sept. 30.—Cheers followed the declaration of J. D. Dori, of Flint, Mich., in the convention of the Carriage Builders' National Association today that every representative industry in the country should insist upon immediate congressional action for the creation of a merchant marine. "Purchase of ships may create a few millionaires or even multi-millionaires," the Michigan man exclaimed, "but we should not let that narrow point of view hold up the great destiny of this country. We want action now when action is needed."

DR. BOUGH TELLS MINISTERS NOT TO BE DIVERTED BY WAR

Declares Preaching of Energized Morals Surpasses Use of Sword. The 115th session of the East Pennsylvania Conference was formally opened this afternoon at the Second United Brethren Church, 39th and Catherine streets. Two hundred delegates attended. At the conclusion of his sermon, Bishop W. M. Keewley read his report on the increased membership of the organization, due in part to the activities of the evangelistic meetings conducted by "Billy" Sunday and the Rev. Dr. Henry W. Bough, of Harrisburg, in his address at the meeting. Dr. Bough said: "While the present war in Europe is sad beyond description, yet I trust you will not allow it to divert your attention from your duties as ministers. The crowning heads in the war seem to believe the supremacy of Christ, but they have a wrong conception of his religion. They must come to see that the victory of Christ's Kingdom is not achieved through the sword or the sword or cannon, but by preaching of energized morals through the holy spirit. When the war is over there will be but two great powers in the world—the power of aristocracy and one for democracy. One will stand for the empire and the other for republics. One will demand increased armament and the other will demand disarmament. Let the people rise—for if the people's will is carried out there will be no war. "I am thankful that President Wilson is a man of peace and against armed conflict. The Peace Treaty recently signed by the United States, England, France and Russia will consequently make war impossible. It is only a question of time when all the great Powers will enter in the same compact. Even if war is disturbing the peace of the world, we must believe that God is still on the Throne and that He will bring an end to this terrible conflict."

ELEVATORS DEFECTIVE. CITY INSPECTORS SAY

Thirty Owners and Agents of Properties Must Answer Charges. Thirty owners and agents of properties in various sections of the city have been notified to appear before Magistrate Eisenberg Monday morning at 11 o'clock to reply to charges of operating defective and unsafe elevators in their buildings. The summons have been issued as a result of inspections made by the City Bureau of Elevator Inspection, under the direction of Chief John R. Wolter. Well-known business establishments are included in the list of alleged violators of the elevator regulations. Fines of \$25 and costs may be imposed on substantiation of the charges.

Since last spring 407 freight elevators have been condemned by the bureau inspectors. In some instances the elevators were allowed to resume service after designated repairs were made.

The 30 suits that have now been instituted are declared by Chief Wolter to result from continued disregard of warnings on the part of the persons notified to place the elevators in safe condition. Consequently Chief Wolter submitted the list of alleged violators to City Inspector Ryan to start action against them.

The Law Department was also requested to take action for the Elevator Bureau against 103 persons alleged to be operating elevators without certificates. The fine in that case is \$50. Effort will also be made to collect delinquent license fees to the bureau for 1912 and 1913.

The alleged violators of the elevator rules are: John H. Catherwood, 48 S. Front st. University Club, 1310 Walnut st. David M. Hesse, 222 Chestnut st. Lewis A. Taulman, Est., 122 Spruce st. Wm. HURLS STOVE FROM WINDOW

Woman Prevents Fire in Apartments by Bravery. Presence of mind and bravery on the part of Mrs. F. D. Sweeney, 3218 Chestnut street, prevented what might have been a disastrous fire shortly before noon today when she seized a blazing oil stove and hurled it from the window of her apartment. The stove exploded, setting fire to a fence, and an alarm was sent in. An engine company from 27th and Ludlow streets extinguished the blaze. A servant in the Sweeney apartments was cleaning the stove in preparation for cold days. In some manner the oil can ignited. The servant screamed, and Mrs. Sweeney, taking in the situation at a glance, hurled the stove from her window.

BISHOP BERRY RETURNS

Bishop Joseph F. Berry, of the Methodist Episcopal Church, has returned from his vacation, spent in New York and Ohio. The Bishop was busy most of the time during the summer and officiated at the dedication of several churches. Among them was one for the Central Methodist Church, Springfield, Ohio, which he assisted in obtaining \$8,000 to pay off an indebtedness of \$1,000 on the dedication day.

HUDSON Six-40

This Year \$1,550 F.O.B. Detroit

Howard E. Coffin Saves 1000 Needless Pounds. The HUDSON Six-40 for 1915 weighs 2,890 pounds—a seven-passenger car. Built by old standards, such a car would weigh around 4,000 pounds. Cars are all being built lighter, still no other maker has attained this lightness yet. So some will argue that sturdy cars can't be as light as this. But thousands of these cars went out last year. In thousands of hands, on all sorts of roads, not a single shortcoming developed. Never has a car proved stancher. The difference is simply this: Aluminum takes the place of cast iron. Drop forgings take the place of castings. Better designing combines strength with lightness—in a thousand details. One, for instance, is a tubular propeller shaft. No More Over-Tax. Needless weight was a heavy over-tax on tires. HUDSON engineers have stopped it. In addition, their new-type motor cuts fuel cost 30 per cent. Expense excess is out-of-date. The day of modest size and power and price has come. This new-model HUDSON typifies the car of the future. It is one of the handsomest cars ever built. It has many attractions found in no other car—beauties, comforts and conveniences. 48 engineers—headed by Howard E. Coffin—have devoted four years to this car. Come and see the advances—the scores of new things they've accomplished. Touring Car and Roadster. Gomers-Schwartz Motor Car Co. 253 North Broad Street, Philadelphia. Phone Filbert 2164. Catalog on Request. IMMEDIATE DELIVERIES.

The names of class C directors in the other seven districts will be announced at an early date.

VANCE M'CORMICK PAYS UNHERALDED VISIT TO CITY

Calls at Headquarters of Washington Party Where He Is Not Recognized. Unheralded and apparently unexpected, Vance M. McCormick, Democratic nominee for Governor, who was recently endorsed by the State Committee of the Washington party, stepped into the State Headquarters of the Washington party, on the 12th floor of the Real Estate Trust Building, this afternoon and inquired for A. Nevitt Detrich, Washington party State Chairman. A stenographer, failing to recognize Mr. McCormick, asked: "And what is your business with Mr. Detrich?"

The explanation that the visitor was the candidate whom the Washington party was supporting for Governor brought an apology from the worried stenographer and also the information that Mr. Detrich was "out to lunch."

Mr. McCormick said that he would be back later in the afternoon to see Mr. Detrich. The nature of the business which brought him to Philadelphia so suddenly and the matters which might be discussed in the "conference" with the Washington party State Chairman Mr. McCormick declined to state.
